ATTORNEY-DETAINEE MATERIALS
TRANSCRIPTION NUMBER 56 - LETTER FROM MR. AL-MARRI
DATED JULY 13, 2005

7-6-26
13-7-05

In The Name of Allah
Most Merciful Most Gracious

Dear A, L, C, M & J

Peace be upon who follow the guidance.

First, I received the letter which has the denied S.J. I say and except (*accept*) the word of Allah in the Quran "you may dislike something & it is better for you and you may like something & it is not good for you, Allah knows & you do not know."

Second, do not worry be happy. This is only one battle we lost, we have not lost the war yet. We still have many battles, some we win & some we lose. What really matter is who wins the war & who laugh last. If Allah keep supporting me, I know & sure that I will be laughing last. More than the fact that I am writting (*writing*) those words.

Finally, I numbered your letter as 28 b/c it was not #ed.

Please remember "if ALL forces on the universe wants to harm you, they will not be able to do so unless it is by the will of God. And if they wants to do you good, they will not be able to do so unless it is by the will of God."

I believe in what I wrote above with complete satisfaction & acceptance, he is my Lord & I am his slave who is full of sins, but wishes for his forgiveness. He can & has the wright (*right*) to do anything with me, if something bad happen to me, it is b/c of my sins, and if something good happen to me, it is from my Lord & him being very, very generous to me.

Sincerely yours,

Ali

P.S. You what is strange about this, I do not feel bad, upset or sad. May the Lord continue to help me & comfort and support me. Ameen.
